FOR IMMEDIATE RELEASE

March 18, 2019

THREE PUBLIC OPEN HOUSE EVENTS: SOLANO SUBBASIN SGMA ROLLOUT UPDATE

Meetings to be held April 2, 4 and 10th on how local implementation of the Sustainable Groundwater Management Act (SGMA) is moving forward.

Vacaville, CA — The Solano Subbasin Groundwater Sustainability Agency Collaborative (Solano Collaborative) is hosting three upcoming public update meetings on the implementation of the Sustainable Groundwater Management Act (SGMA) in the Solano County. At the meetings the Collaborative will share background on SGMA and progress in developing our Groundwater Sustainability Plan, information about groundwater science, and how the public can stay involved.

The same information will be presented at each of the meetings, which will take place from 6:30 - 8:30pm., on April 2, April 4 and April 10 at various locations throughout the Solano Subbasin (details below). The April 10 meeting will be taped and made available on the The Solano Collaborative website. The last half hour of each meeting will be reserved for informal questions for Solano Collaborative members.

The Solano Collaborative is the working group of the Groundwater Sustainability Agencies in Solano County including the Solano Irrigation District GSA, Solano Subbasin GSA, Sacramento GSA, Vacaville GSA and the Northern Delta GSA.

MEETING INFORMATION (the same materials and presentations will be offered at each meeting)

Tuesday, April 2, 6:30-8:30PM
Dixon Community Center
201 S. Fifth St.
Dixon, CA 95620

Thursday, April 4, 6:30-8:30PM
Rio Vista High School
410 S 4th Street
Rio Vista, CA 94571

Wednesday, April 10, 6:30-8:30PM

Vacaville Ulatis Center

1000 Ulatis Drive

Vacaville, CA 95688

The meeting will be taped, and can be viewed after April 30 by going to <http://www.solanogsp.com/>

For more information about the Solano Subbasin Groundwater Sustainability Plan, go to <http://www.solanogsp.com/>.
