### Meeting Highlights

- We welcomed Curtis Paxten, newly working for the city of Vacaville, and Nick Osman and Becky Rittenberg from The Freshwater Trust.
- FAQs and Website update: members are invited to submit comments and edits on the draft FAQs by Nov. 30. New Website aiming to be up by the new year. Chris described a little more about the [proposed design and content](#).
- Vicki from LSCE and Brian from Davids Engineering (and on the LSCE Team) provided more information about the GSP development [draft schedule](#), and then provided a [presentation](#) and described the water budget approach and methods, including possible models, a clarification of terms and definitions, the wider GSA context, and design criteria.
- We discussed the possibility of making agreements related to governance and conflict mediation, and agreed to have Chris and Joseph bring some examples and tools to support that process.
- Our final meeting of 2018 will be December 18.
