

Solano Subbasin SGMA Rollout Update

Solano GSA Collaborative
April 2019

Our Goals for Tonight

- Update you on implementation of the Sustainable Groundwater Management Act (SGMA) in our local area
- Give you background on SGMA and how groundwater works
- Answer questions you have
- Give you a chance to meet the people working on SGMA

Our Agenda for Tonight

- SGMA overview: what it is and isn't
- SGMA in our area: where we are today in implementation
- Groundwater 101: groundwater hydrology in our area
- Next steps
- And lots of Q & A!

Some Ground Rules for Tonight

- Focus on SGMA implementation in our area
- All questions welcome—but some we will not have answers for yet...
- Respect different views

Next steps

- Future workshops
- Targeted outreach
- Get on the list! GSP email updates
- Fill out our survey
- Meet with staff tonight
- Help us build a plan that protects what make Solano Subbasin special

Thank You For
Coming!
