| Guests: | | | | | |

Meeting Highlights:

- Vicki Kretsinger of Luhdorff and Scalamanini Engineering provided an update on the Prop 68 grant application focusing on GSP Development, additional stakeholder engagement, and a stormwater retention and groundwater recharge project that the group is excited about for its innovation and ability to solve multiple problems. **All members are asked to plug in information by next Monday 10/28.**
- Chris Lee of Solano County Water Agency has resolved comments on the MOU and will send by Monday to members.
- Shelly Smith of Ag Innovations has resolved member comments on the letter to the Yocha Dehe Wintun tribe, and would like to send by EOB Monday- if you have comments, please send them to Shelly before EOB on 10/28.

Agenda:

1. MOU
2. Prop 68 Grant- Due 11/1 at 1pm
3. Yocha Dehe Letter next steps
