HIGHLIGHTS

- The draft Annual Report has been distributed for review and the final document will be submitted by April 1, 2022, as required. A summary of the hydrologic conditions was presented to the GSA Collaborative.
- Planning for the Prop 218 process is underway. A draft fact sheet was presented and feedback was requested. A timeline of key activities was discussed.
- A Memorandum of Understanding (MOU) is being circulated and will need to be signed by the GSAs.

- A briefing for an Ad Hoc Committee of the GSAs is proposed for the end of March; a public workshop is proposed to take place at the end of April.
- Thoughts and good wishes were shared with Linda Dorn in her last meeting with the Collaborative before her retirement.
