MEETING HIGHLIGHTS

1. An initial proposal has been developed for funding implementation of the Solano Subbasin GSP. Several GSAs are discussing the approach.
2. A public Virtual Town Hall on Tuesday, May 9, 5:30 - 7:00 pm will describe GSP implementation activities, costs and funding options. Announcements for the Virtual Town Hall were made through a newsletter and with banner ads in newspapers.
3. The Governor's Executive Order requires counties to coordinate with GSAs when reviewing and approving well permits for designated well categories. Local entities are working to develop an approach to implement this requirement.
4. A guidebook has been prepared to describe current and proposed monitoring activities for each individual GSA in the Solano Subbasin and to describe approaches for coordinating monitoring efforts.
